

## Your Study Skills Will Evolve

### Here Are Some Resources To Help Evolution Take The Right Direction

There are a vast number of resources to help you plan and study effectively, whether it be books or online. Here are just a few to get you started.

**The Study Skills Handbook** by Stella Cottrell - The first and last place to look for study skills advice, from preparation, to working with others, research and how you memorise.

Go to: <http://www.skills4study.com>

**BBC Skillswise** - A great place to check out your basic grammar, spelling and punctuation with quizzes, fact sheets and printable worksheets.

Go to: <http://www.bbc.co.uk/skillswise/>

**ABC Study Guide** - For study skills in plain English, alphabetically indexed, to all aspects of study at University and elsewhere - for lifelong learners everywhere.

Go to: <http://www.studymore.org.uk/glossary.htm>

**Caplits** - This is an online resource primarily intended to advise, guide and provide support for students in their written work.

Go to: <http://caplitswritingcentre.ioe.ac.uk/>

**Purdue Online Writing Lab** - If you're OK on the basics and can handle some grammatical terminology this site has good guides to grammar and different kinds of writing.
